Labor Day Chile Cookout

This is when Gary and Shelly Oleson host our club's successful effort to cook the best rally chile in America for Sipapu the following weekend. Join your friends in LOE BMW R for good hard work "building the chile" (and great sandwiches for lunch) starting at 10 am. Contact Gary Oleson, 898-8320.

Friday-Sunday, September 5-7

Sipapu 19!

This is the big one of the year as LOE BMW R puts on the best laid-back rally in the country at beautiful Sipapu Lodge. Bring your tent, bring all your bikes, bring all your friends – this is the only place in New Mexico to be on the first weekend in September! RJ is chairperson, 299-4916, David Tynan, 869-3645 is co-chairperson.

Saturday, September 20

Breakfast in San Marcos

Remember those short rides up north 14 to the San Marcos Cafe for breakfast? Well, whether we still go to the same restaurant or one of the other newer ones in the area just south of the State Prison, it'll make a nice short (2-3 hours) fall ride. Contact RJ, 299-4916.

Sunday, September 28

Chama/Antonito, CO

Yep, here's another favorite LOE BMW R ride north to check out the fall colors in the mountains of Northern New Mexico. We'll start the day at 9am at the Giant station on the east end of Bernalillo (next to McDonald's). Colorful Lynn Coburn, 266-4449, is the one to contact for this full day ride.

Friday-Sunday, October 3-5

Datil and Route 666!

We will keep having this ride until no one comes anymore! You know the place, the accommodations, and the great twisties and scenery of Arizona's famous "Route 666." If you don't, it's about time you make plans to do this Camp N' Ride. For those who only camp in motels in October in the high country, let RJ know he could have a potential roommate in Magdalena, otherwise bring your tent and warmest sleeping bag! We need a volunteer contact person for this one (let RJ know if you're interested).

Sunday, October 19

Mountainair/Willard

More nostalgia as we recreate a favorite ride from a few years back. We head south down 14 to Mountainair, then east to a little cantina in Willard for some tasty hamburgers. Dave Wilson, 232-0266, will be the one to call for this half day ride.

Saturday, November 1

Business Meeting and Tech Session

Location and time to be announced, but we need ideas and/or proposals for tech session topics. Contact either Robert, 883-4813, or RJ, 299-4916.

THE REAR VIEW

R 47

Boasting 18 horsepower and a 494cc engine, the R 47 sold over 17,000 units from 1927-1928. With its push rods, overhead valve cylinder heads, and increased carburetor performance, it offered sportier handling than most motorcycles of its era. In fact, to this day the R 47 still manages to win rallies for vintage racers. The R 47 is instantly recognizable due to its factory-fitted speedometer mounted in the gas tank. A two-slide carburetor replaced earlier, more intricate three-slide versions, increasing performance further. The model in the Mobile Tradition Exhibit sports an additional race fuel tank, which reduced the number of pit stops a racer would have to make.
